May 10th, 2018 - This article drills down into old code generation and compares its relationship to DSLs and modelling and establishes the similarities between all three. Using this common basis, it explains the reason behind the recent fashion for XML with everything and the de facto standard approach to defining languages in XML." ***White parents it's time to talk about race myajc.com***

*March 29th, 2018 - "We heard from the people of color in our community that one of the ways that white people could be helpful and useful was to work on our internal white supremacy in our families and our communities," said co-facilitator E R Anderson, executive director of Charis Circle, the nonprofit programming arm of Charis Books and More.*
