don bradman wrote this book from
his own career intakes and you know
what is this book about'

*'cricket movement fielding activesg
May 26th, 2020 - in cricket the most
important fielder positions are the
slip and point fielder as they are
located in prime locations to catch
the ball for instance the slip is placed*

on the right side of the right handed batsman and is usually the best form of defence for the fielding team as they are the in best position to catch any balls that is out of reach of the wicket keeper'
