June 7th, 2020 - just after the second  
world war the philosopher theodor  
adorno was puzzled by why so many  
of his fellow germans had participated  
in mass murder adorno suspected  
some people had personality traits that  
predisposed them to bow to authority  
figures and kick down people they  
thought were below them to test his  
theories adorno joined forces with  
social psychologists working at the  
university of **'how statesmen think
