About the Book This workbook is a practical guide to master the basic skills of visualization also often referred to as sketching doodling visual thinking visual explanation thinking graphically business drawing and so on'

'Visual Thinking Crown House Publishing

April 22nd, 2020 -

Visual Thinking is a wonderful inviting workbook that gives you the basic tools for 'speaking' visual language a language I have predicted will be

a new international
auxiliary language
With this book nobody
has an excuse like
?but I can?t draw ?
With Visual Thinking
anybody can begin to'
