May 29th, 2020 - source ursula s fish and chips called the chip shoppe by harry is an eatery on the isle of the lost located on the docks it was founded by the former sea witch ursula and has a living area behind the shop which serves as home to her and uma as ursula lost interest in running the shop uma and cook were left to run it while the old sea witch spent her days watching soap operas"sea fish n chips calgary abgroupon

November 25th, 2019 - if the name sea fish n chips doesn't adequately hint at this restaurant's london leanings then a dish called squid vicious certainly does the eatery's take on calamari has about as much attitude as a sex pistols song thanks to fiery licks of salsa and red pepper aioli of course the restaurant's namesake dish is its true specialty baskets are built from one of four fish haddock cod'
