April 28th, 2020 - There was initially some speculation that 2010?s The Final Frontier would be Iron Maiden?s last record Bassist and founding member Steve Harris had previously been quoted as saying that he imagined the band would release a total of fifteen studio albums and choosing to give the fifteenth such an ominous title seemed to be a clear portent of the end'

'The Book of Souls by Iron Maiden on Music

April 25th, 2020 - The Book of Souls is now my favorite Iron Maiden Album prior was a toss up of Somewhere in Time Number of the Beast and Seventh Son The lead single Speed of Light is my least favorite song though

not a bad one on the album where The Red and the Black Tears of a Clown Empire of the Clouds and Book of Souls are my favorites with the others being very catchy and great to listen"**CD Reviews The Book Of Souls Iron Maiden Blabbermouth net**
