Write Mind

April 25th, 2018 - The thing about publishing is that it is like a reallllly long ladder with neverending rungs Just when one rung is reached the next comes into view then the next 'Lefty In My Write Mind

Emily Murdoch Writer Thinker

April 30th, 2018 - I read with great interest what was essentially a note to all authors who self rate their books five stars That's just so ? just so ? tacky' 'In My Write Mind Breaking Habits on Move In Day

April 25th, 2018 - In My Write Mind Breaking Habits on Move In Day'

'Are you in your write mind How to overcome writer's block

April 27th, 2018 - You have the power to overcome writer's block Here are five ways to jump start a stalled project'

*'in my write mind*

---

April 11th, 2018 - I challenged myself to write for an hour a day The aim is just to write whatever and put it out there for accountability purposes Not to make anything super polished or 100 what I would do given more time' **Casey Anley In My Write Mind**

April 22nd, 2018 - In My Write Mind Hi there You have stumbled upon the blog of Casey Anley teacher student and lover of all things education'

'In My Write Mind Sort of April 28th, 2018 - I must confess that I have overlooked this special day myself in the past I'm trying to make more effort to remind my sons about it and I try to schedule a card or craft project for my students at school to give to their grandparents'

---

---

**'In My Write Mind**

April 28th, 2018 - I dated Tim for two years before he called me as I waited in line at Dairy Queen one night and told me we shouldn't be together anymore And in that moment I could've sworn to you that my entire reason for existence was no longer there'

**'In My Write Mind**

April 19th, 2018 - Ah

Mother's day Such a

conflictual day When you have kids and your mother is still alive it gets confusing

Especially little kids When you think of Mother's Day you think of your mother'

**'In My Write Mind**

March 29th, 2018 - Written

Words So much to say My mind goes blank As my hand hovers My words They are pointless In them is nothing Or is there

Take a peek Into my mind'
