**April 26th, 2020 - the  
book tells the story of  
planet entropia through  
stamps it s like those  
limited edition collectible  
stamp books published  
by post offices from time  
to time except the stamps  
here are larger and  
unusable unless you re  
on entropia the 128 page  
book is slightly larger  
than a dvd case but  
presented horizontally'

May 19th, 2020 - entropia  
is a masterful work of the  
imagination that envisions  
a world beyond growth  
and consumerism this is no  
escapist fantasy however  
but rather a practical and  
inspiring reminder of what  
we humans are capable of  
published 2013 179 pages  
as a physical book  
simplicity institute  
melbourne'
