June 3rd, 2020 -

**goldsworthy creates
ephemeral works from
unstable materials like
light water and ice that
mainly survive only as
photographs there are also
more durable public
installations of wood or
stone such as five men
seventeen days fifteen
boulders one wall 2010 a 2
000 foot long fieldstone
wall that winds like a
ribbon between the trees
disappears into a pond and
emerges on the opposite
bank' 'andy goldsworthy s
