*May 15th, 2020 - you ll
technically get more mileage
out of splatoon 2 because
theres an almost endless ramp
in improving your skills and*

ranking up but mario kart 8 isn't lacking there either i'd give the edge to mario kart 8 anyway if only because splatoon 2 is basically finished in terms of munity events and stuff and a splatoon 3 is probably going to'

June 1st, 2020 - agent 8 is a
playable character in
splatoon 2 and the main
character of the octo
expansion dlc depending on
the player s choices they**

can have different eye and skin colors as well as being either a boy or a girl they have angled eyes with black markings around their eyes with a dash at the end for the female only a sharp tooth on the opposite side

*June 1st, 2020 - description 8
regret is an eerie mysterious
sounding track heard in
several octo expansion*

stations featuring 8 balls it has a consistent drummed rhythm throughout the whole song with a choppy tune ing in at the beginning it is then layered on top of by a much smoother melody which is replaced later on with a lighter softer version"
