'westwind bookreporter

April 30th, 2020 - westwind is well worth the 30 year timespan it has taken for most readers to discover it thankfully it has not lost any tarnish in translation and can stand up to nearly any spy game or espionage thriller currently on the market when hepton loses connection with the satellite he begins to think that something sinister is going on'

'westwind book vaughan public libraries bibliomons

May 2nd, 2020 - westwind book rankin ian the classic lost thriller from the iconic number one bestseller it always starts with a small lie that s how you stop noticing the bigger ones after his friend suspects something strange going on at the launch facility where they both work and then goes missing martin hepton doesn t believe the official line of long term sick leave'

'westwind the classic lost thriller co uk rankin

May 16th, 2020 - westwind has a poorly conceived plot dealing with scientific matter which are very old indeed mr rankin s later work is light years away from this attempt to tell an old story better left to writers such as lecarre in respect to mr rankin i would never remend this book to anyone''westwind 9781409196051 books

May 20th, 2020 - westwind is an interesting tale and the references to the puter equipment of early days brought back many memories i wrote my first puter program in 1960 and later bought one of the first ibm pcs the characters are british the acronyms sometimes need a bit of research eg mod is like us dod and conversations can take a little'
