'ogre d amp d miniature by yasashii thingiverse

May 15th, 2020 - ogres are hulking giants notorious for their quick tempers lashing out in a tantrum until it runs out of objects or creatures to smash ogre for use in any epic dungeon patible with d amp d and tabletop roleplaying games set to 54mm scaling for easier printing and because bigger is better but you can reduce to 60 for 28 32mm scale if you like what i do please consider joining my patreon for'

'miniature book

June 2nd, 2020 - a miniature book is a very small book standards for what may be termed a miniature rather than just a small book have changed through time today most collectors consider a book to be miniature only if it is 3 inches or smaller in height width and thickness particularly in the united states many collectors consider nineteenth century and earlier books of 4 inches to fit in the category''
