'Engine Warning Light Alfa Romeo Forum

October 7th, 2018 - I had the dreaded check engine warning after just a few days and called the dealer not an

official alfa dealer who sold it to me
He said they had a brake light switch
fault which they replaced and had
found no new problems on it"

Alfa Romeo forum 156 Injector Warning Light

**October 8th, 2018 - The engine
warning light will rarely show if the
injector needs cleaning If there is an
injector fault it will be on
permanently The warning symbol
show a malfunction somewhere in
the system from throttle
potentiometer through to injector
failure and anything in between
Before you spend on cleaning or**
