'is it possible to
call level all
through vba in ms
project

May 26th, 2020 - i
am using microsoft
project 2010
professional and i
want to know if it
is possible to the
question use visual
basic to call the
level all function
under the resource
tab why would i
want that i want to
do this because we
are using various
cadence in our
project so the same
array of tasks
might be done in 4
days or 10 days' 'mp
vb macros en
project

June 2nd, 2020 -
the second in a
series of short
notes about using
project vba using a
project object of
some kind is
essential to
programming project
like the task
object it is also a

member of a
collection in this
case it is part of
the projects
collection although
the projects
collection is under
the application it
is what microsoft
calls a top level'
