*the roots of the new law
merchant how the
international*

*April 25th, 2020 - the term law
merchant or lex mercatoria
first appeared in medieval and
early modern publications on
mercian law 2 synonymously
used they referred to an
autonomous body of legal
customs which had emerged in
supraregional merce and
which had bee law by consent
and by continuous use its main
fields of application were
maritime and banking law
besides the more
general"autonomy in

law and public law**

*May 23rd, 2020 - the
conspicuous absence of
private international law from
the current global governance
debate may be traced in part
to its traditional public law
taboo fed by liberal
understandings of statehood
and its characteristic public
private divide in the context of
the modern schism between
the public and private
branches of international law'*
