Looking for Basic Drawing Software

March 9th, 2010 - I'm in need of basic 2D drawing software for planning out simple parts that many of us would be making here. Don't want to get into 3D in any way just something easy to use that will scale and do dimensions. I downloaded something I can't remember the name at work right now and the learning curve "*Esri Training Your Location for Lifelong Learning*"
