June 3rd, 2020 - enema
experiences can be

daunting if it is your first time do you remember your first time and how it felt would you have been thankful if you've found free enema stories you could've read beforehand well you're in luck because on this page you will find reader submissions of do's and don'ts when it comes to enemas'

'home enemas how and why you should perform them

June 3rd, 2020 - coffee enemas are an example of short term 15 minute retention enemas they were made popular by Max Gerson who used them with cancer patients to open the bile ducts and increase bile flow helping to rid the liver of impurities 6 an analysis observed six case studies of cancer patients who followed Gerson therapy which included treatment'

June 3rd, 2020 -
before giving anyone
an enema including
yourself make sure
that you read up on
the proper way to
administer an enema
making sure that you
get your information
from good sources
better yet let someone
with experience giving
enemas perform the
function and if at all
possible consult a
medical professional
especially if you or
the person'' enema
